

The diagram consists of three overlapping shapes on a light blue background. At the top is a green rounded rectangle with a dark green border. In the center is a blue octagon with a blue gradient and a blue border. At the bottom is a gray rectangle with a black border. The octagon overlaps the bottom of the green rectangle and the top of the gray rectangle. Two horizontal blue bars with blue borders extend from the left and right sides of the octagon. The text 'Health knowledge domain' is centered in the green rectangle. The text 'Health Information knowledge domain' is centered in the blue octagon. The text 'IT engineering domain' is centered in the gray rectangle.
